ELDER ALICE SOFTWARE. NO GAMES WITHOUT YOURSELF

Elden Ring [2022-Latest]

4.5/5 Minus: Would've liked the music to be a little more epic, but I guess that's just my opinion. 8/10 Plus: I still play this game even though I've already completed it, and every time I go back to it I just look at the amazing world you've created with tons of more content being added everyday, and it just makes me very happy and I become very excited. 9.5/10 Plus + Plus: This game was the first of its kind, and I believe that it holds a special place in the world of RPGs in the future. I've watched many of your other titles grow, and I still have faith in you. When you release the game for a second time I will be there as well. 9.5/10 Plus: Really really fucking cool game, it's very fun and it's a very enjoyable experience that's refreshing with the story, the characters and the way they behave and fight and the soundtrack and the art all at it's best. 8.5/10 Plus: The storyline is good but the gameplay isn't really that fantastic, it
